I've been going for a while and I'll continue to go. I sometimes forget that these young ladies are students. I love how my hair turned out.

They are working independently but, everything is double checked and approved prior to moving on to the next step, to ensure you get GREAT results. Today's appointment was no different. Thanks ladies!

Maya did an amazing good on my hair!

Absolutely LOVED my Dermalogica facial! ✨ My skin was glowing, hydrated, and ridiculously soft afterward. Super relaxing, totally pampering, and exactly what my face needed. I walked out feeling like a million bucks! 🧖‍♀️✨

Highly recommend! The staff/students/everyone made me comfortable, welcomed, and very happy.
